

Advanced Preflight: Regulations and Best Practices

This meeting will include classroom and on the aircraft instruction, that will cover many of the important parts of a proper preflight. Whether you are a student pilot just getting started in aviation or a professional pilot with many hours and years of experience, we guaranty you will learn something new about preflight.

Directions: From Colonial Drive turn south on Rickenbacker Dr., continue past Fairgreen St. to the end of Rickenbacker Dr. and into the parking lot. Park in any available spot. Walk east to the Airport Administration Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
